

Mater Dei has been blessed with a support community of faithful, caring, and generous people whose commitment to Catholic education has strengthened our promise to educate, foster faith, and develop gospel values. With the support of so many, we are able to continue providing the opportunity for the young men and women of our area to become a part of the tradition of academic excellence at Mater Dei.

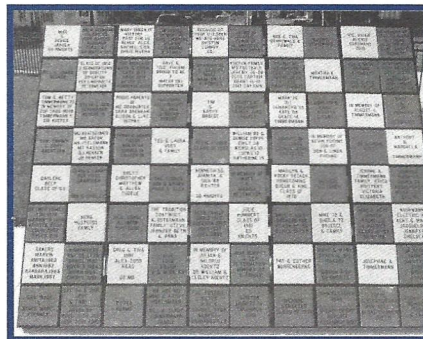

This Annual Report is our opportunity to express our gratitude to all those alumni, parents, friends, faculty, and students who helped make this past year so successful. The listing of all who impacted Mater Dei last year is a complex task. If we have omitted you or someone you know from our lists enclosed, please accept our sincerest apologies. Thank you again for your continued support and generosity, and with great pride we present the 2014-2015 Mater Dei Catholic High School Annual Report.

MATER DEI CATHOLIC HIGH SCHOOL 2014-2015 ANNUAL REPORT

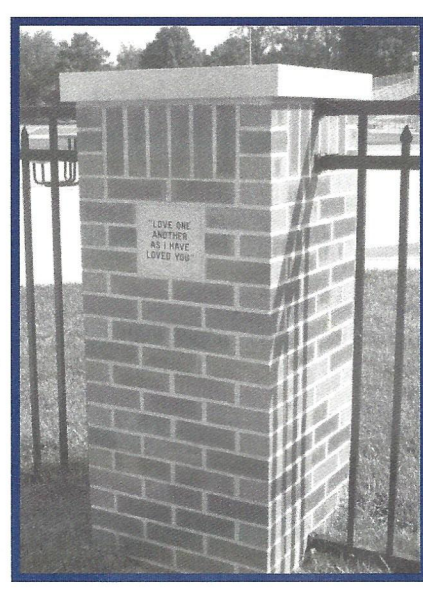

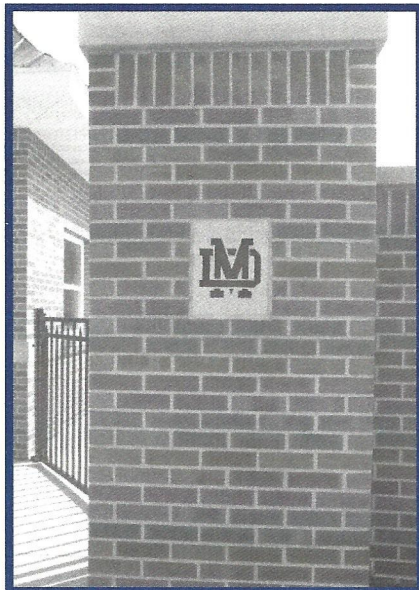

www.materdeiknights.org

The Mater Dei community responded to the solicitation phase of the capital campaign in its characteristically generous fashion and the resulting renovations and improvements further establishes Mater Dei as an exceptional institution, one that provides a variety of opportunities to integrate the spiritual, intellectual, social, aesthetic, and physical aspects of her students.

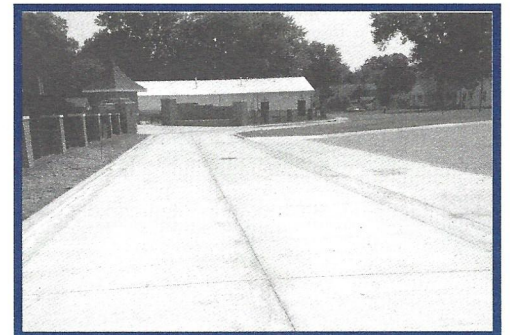

Now, with the major projects complete, the peripheral tasks highlight the summer activity. The north sidewalk, road, and curbing are being reworked and over 400 bricks of various sizes have been inscribed and placed in the Circle Drive and Plaza of Champions as part of the recognition phase. All are invited to view the inscribed bricks, old and new. As always, thank you for your support!

Inscribed bricks have been added to the Circle Drive and Plaza of Champions.

The north sidewalk that was uneven and time-worn is being replaced this summer and the patchwork road and crumbling curbing between the school and the multipurpose field have been removed and replaced with a new concrete road and curbing. (Top and Bottom)

Finishing touches have been added to the front gate.

Granite bricks enhance six front fence pillars.

Dear Friends of Mater Dei Catholic High School,

On behalf of the students, faculty, and administration I would like to thank you for willingly giving of your time, talent, and financial support to our school. Mater Dei exists today because you are concerned, caring, and devoted, and know the importance of caring on the mission of the Church through Catholic education.

In this annual report are listed the names of those who donated to the 2014-2015 Annual Fund Drive. I sincerely thank those donors, without whom our efforts to provide a quality Catholic education would not be possible. Thanks are also in order to those families of deceased loved ones who have designated Mater Dei as a memorial recipient, families who have established scholarships, and, of course, those people who have worked tirelessly "behind the scenes" for the betterment of Mater Dei Catholic High School.

As I reflect on the 2014-2015 school year, I realize what a wonderful story we have to share with the whole community. The hard work of both students and faculty has resulted in successes both in and out of the classroom. The mission of Mater Dei is being lived by our students and staff. Please be assured that our students are working hard to reach their goals and to prepare to become future leaders of their respective parishes and civic communities.

MISSION EFFECTIVENESS

Our Catholic faith and traditions are the heart and soul of Mater Dei. Our mission of fostering faith and developing gospel values makes us unique and is needed now more than ever. We are able to develop the mind and spirit in everything we do. Our daily Catholic environment, as well as our daily religious instruction and catholic teachings as they relate to the rest of the curriculum, includes the study of Church doctrine and traditions, the study of the liturgy, sacraments, scripture, morality, and social issues. There has been special emphases placed on the Corporal Works of Mercy, Social Justice and how we, as Catholics, are challenged to make a difference in our culture, society, and communities.

A key to our comprehensive program is to develop a sense of service and alms giving in all our students. Members of each class are expected to provide time in service of others. This program is capped off by the Senior Service project when our seniors work for three weeks in schools, hospitals, day care centers, shelters, and nursing homes. The Murray Center project continues to be a cornerstone of our student activities.

Along with Murray Center visits, Mater Dei students teach in local PSR classes, participate in the Big Brothers/Big Sisters program, adopt a mission and donate each week to that cause, hold food

drives, and coat drives, all for others! This past school year our students raised over \$10,000 through their weekly mission collection. This money was donated directly from the students during their homeroom period. Our young Vincentians (members of the Mater Dei chapter of the St. Vincent de Paul Society) organize and direct the student mission projects and special collections for local needs. Our Teens for Life Group continues to promote activities that highlight LIFE! Activities include prayer services at the abortion clinic in Granite City, participating in the Pro-Life march at the county courthouse in Carlyle, and sending supporters to the Pro-Life March in Washington, D.C.

SCHOLARSHIP

The academic success of our students continues! Mater Dei inducted 51 new members into the National Honor Society, had 21 seniors named Illinois State Scholars, and averaged over 48% on the Honor Roll. A special congratulation goes to Elizabeth Medlin, a senior from Aviston, who was named a National Merit Commended Student. The academic success is no accident at Mater Dei. The Class of 2015 reported that 99% of the class was planning to continue its education in the fall, 1% was entering the Marine Corps, and 1% was working on the family farm. Mater Dei continues to set the bar when it comes to ACT testing in the state. The MD Class of 2014's average ACT score was 24.4, outscoring the state average by over three points! The atmosphere of our school is conducive to learning. The expectation of our students and their teachers is one of working hard and staying focused on the job at hand. Mater Dei continues to walk with her students and their parents through our Campus Ministry, Academic Advisement office, Parent Portal and Schoology, and our peer tutoring program. Members of the Class of 2015 were offered \$7,200,150 in scholarship money for their college education as a result of their high school experience and success. Our seniors are planning to attend 33 different schools across the country in the fall of 2015. Out of this group, Grace Chiarolanza, a senior from Aviston, was offered and accepted an appointment to the Air Force Academy. Miss Chiarolanza will be our third student in three years to receive an appointment to one of the military academies! She follows 2013 graduate Luke Foppe, who attends the Naval Academy, and 2014 graduate Grant Camillo, who is a West Point cadet.

CIRRICULUM DEVELOPMENT

Mater Dei is currently in the fifth year of a five-year school improvement plan. This plan is part of the AdvancED accreditation process in which Mater Dei participated this past school year. A team of five educators from across the state spent two days reviewing our programs and seeking information from students,

faculty members, and stake holders from the community. I am happy to report that we received high ratings and have received the approval for another five-year accreditation from AdvancED. Over the past few years, our dual-credit classes, through cooperation with Kaskaskia College, have increased. Courses that are offered at Mater Dei for dual credit include English 101 and 102, Speech 103, Accounting, Advanced Computer Applications, Chemistry Honors and Chemistry II, Cisco IA and Cisco IB, Physics Honors, Building Trades II, Small Business Management, and Weightlifting. Advance Placement exams are offered in Spanish, Calculus, and American History.

STUDENT ACTIVITIES

The year began with our award winning Marching Knights having a very successful season. The band, under the direction of Mr. Blake Korte, took its show on the road at O'Fallon High School, Eastern Illinois University, Effingham High School, Newton High School, and the University of Illinois band competitions as well as many parades throughout the state. The fall athletic season was very successful with the 2014 Football Knights continuing its winning ways and once again qualifying for the 4A play-offs. Coach Chad Rakers and the volleyball Lady Knights finished third in the 3A state volleyball tournament. Our boys' soccer team won the regional and went on to finish second in the sectional. The Lady Knights basketball team provided much entertainment as they finished second in the Highland Tournament. Our boys' basketball team qualified for the state tournament, coming home with a fourth place finish and capturing the hearts of the entire Mater Dei Community. The varsity cheerleading squad advanced to the ICCA State Competition. The girls' soccer team won its third regional and advanced to the Columbia Sectional. The girls' softball team also won the regional and competed well in the 3A softball sectional in Mascoutah. Mater Dei's Megan Deimeke qualified for the state track meet in May, competing in the shot put.

The Scholar Knights experienced success through Mr. Scott Timmermann's leadership. This group won the Clinton County Championship, the Catholic School Championship, and the IHSA regional. The Theater Department brought to the Mater Dei stage Agatha Christie's *Witness for the Prosecution* in the fall and the Disney classic *Tarzan* for its spring musical production.

FINANCES

Mater Dei has seen eighteen straight years of balanced budgets! These budgets have been the result of good planning, fiscal discipline, consistent enrollment, and commitments from both our local parishes and our alumni and friends. Please know how thankful we are at Mater Dei for all the support we receive throughout the school year. Our Calendar Drive

continues to lead the way with over 4,800 sales, along with the annual fund drive, Knight Club program, and golf tournament.

The support Mater Dei receives from the local parishes is outstanding. It is important that everyone understands that Mater Dei is his or her local Catholic high school, a very important part of the parish. As time moves on, the challenges Mater Dei will face will continue; however, with the support of these groups Mater Dei can sustain itself as the best buy in education in the area! Tuition for the 2014-2015 school year was \$4,861. With the sustained support of the entire Mater Dei Community we can continue to offer the best possible Catholic education at an affordable price. Thank you to all who have committed resources, financial and otherwise, to Mater Dei.

CHALLENGES

As we enter the 2015-2016 school year, we look forward to taking on the challenges that lie ahead. Our greatest challenge is always keeping control of our costs while we continue to enhance and expand the opportunities for all our students. Currently we are faced with replacing or rebuilding our boiler system, staying ahead with air conditioners in the classrooms, and dealing with constant concerns of a 55-year-old building.

Another issue facing our school community includes strengthening our Catholic identity within our community. Throughout this school year we will be looking at ourselves as a school community of faith and preparing for our Strategic Planning Retreat which will be held in the spring of 2016. Through this process, we will be developing our Strategic Plan for the next five years. Please know that if you are interested in serving on any of these committees you are most welcome to join us. Please contact me and I will be more than happy to assign you to a committee.

I hope you have found this letter to be interesting and informative. I am always excited to tell our story, a story that many of you have helped write. Mater Dei is a great place. It is not a perfect place, and the real joy about being part of the school is knowing the difference between the two. It is in fact this difference that moves all of us to come each day with the intention of being a better person and doing a better job whether a cafeteria worker, a student, a custodian, a teacher, or the Principal. Education is about the future. Catholic education is about the future in faith, and it is with that future in mind that I look forward to the 2015-2016 school year.

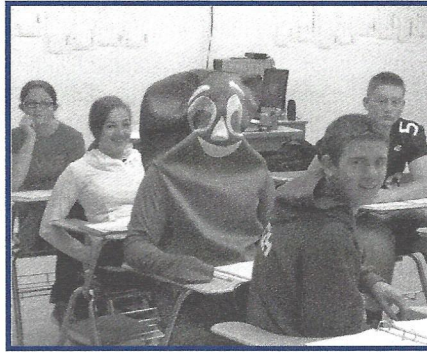

Sincerely yours,

I'm IN: INVolved – INvested – INvaluable

Some of us will remember well the 1965 hit by Dobie Gray: "I'm in with the In-Crowd." The lyrics seemed to say it all: "I'm in with the in crowd. I go where the in crowd goes. I'm in with the in crowd. And I know what the in crowd knows." Those days of high school were a time when we all wanted to "fit in" and be part of the "In-Crowd." Unfortunately it did not always work out that way, but usually everyone found their particular niche and the group with whom they felt more comfortable and with whom they felt most welcome – and that became their own personal "in-crowd."

Even beyond the Sixties, this song has remained popular and its message still resonates today – yet in perhaps a rather different way. The "In-Crowd" that I am referring to is ALL of YOU. You, who through your commitment of prayer, time, talent, and treasure, have seen the difference that Mater Dei Catholic High School is making. You, who through your financial investment, have seen the quality of education being provided at Mater Dei Catholic High School. You, who make the difference that only you can make, continuing to be part of the mission of Mater Dei Catholic High School.

The legacy that Mater Dei Catholic High School has become continues to be an INViting environment. From the first joint graduating class of 1955 to this past school year's class of 2015, more than 8,000 students have graduated to be INspired servant leaders in their Churches, communities, and families. The spirit and mission of Mater Dei Catholic High School has touched the world as our alumni have spread the "Good News" to every corner of society. Mater Dei Catholic High School is proud of its graduates and all that they continue to do in knowing, loving, and living their faith.

Your support and contributions through the years have allowed us to maintain and grow our facility and the quality of education that we are able to provide. Your participation in both the annual fund drive and the capital campaign is a testament of your commitment to the mission and ministry of Mater Dei Catholic High School.

As Director of Advancement at Mater Dei Catholic High School I would like to take this opportunity to thank each and every one of you who have given so generously to the 2014-2015 Annual Fund Drive and to those who have thus far made a pledge to the capital campaign. Our theme for the annual fund drive this past year was "Providing for Today and Securing for the Future." Indeed, your outstanding financial commitment has allowed you to help Mater Dei Catholic High School continue to provide a "comprehensive program to educate, foster faith, and develop gospel values" in the students we are privileged to serve.

As we prepare for the 2015-2016 Annual Fund Drive and as we find ourselves nearing the end of our second capital campaign, we are continuing this theme for our annual drive that will carry through the duration of the campaign. It is a way for our benefactors, and especially our alumni, to realize just how important they are to the continued successful operation of the educational program at Mater Dei Catholic High School, both for current needs and future development. For three generations, Mater Dei Catholic High School has provided a caring environment in which students have been challenged to experience God in themselves and in others through a cultivation of respect and a commitment of service. Without the sustained dedicated support of our benefactors, like you, Mater Dei Catholic High School could not accomplish its mission.

It has been said, "A generous person is enriched through the act of giving." These difficult economic times have been challenging; however, you, our benefactors, have recognized the significant difference your

generosity does and can make to enhance the educational program and progress of Mater Dei Catholic High School, and through your giving, both you and Mater Dei are blessed. For the 2015-2016 Annual Fund Drive we are going to continue our emphasis on "Major Gifts" and "Planned Giving" as ways in which we can continue to build upon the tradition of the past by securing a solid foundation for the future.

Major gifts help to grow the annual fund drive faster. A contribution of \$250.00 or more is considered a major gift. This year's annual report lists the contributors and an asterisk in front of a donor's name indicates that that person made a major gift to the fund drive. A major gift can also be attained through the benefit of a matching gift from your business or corporation. One can make a major gift by contributing \$125.00 and having a matching gift of \$125.00. Major gifts are important because they imply an individual's deeper interest and willingness to be part of the tradition of providing quality faith-based education.

The process of making a major gift for as little as \$250.00 can be simplified by making monthly or quarterly donations, or by setting up payroll deductions. Your specified amount will be automatically deducted and then deposited directly to Mater Dei Catholic High School. These can easily be coordinated with your business or corporation. And don't forget to check with your Human Resources department to see if your donation to Mater Dei Catholic High School will qualify for a matching gift. Last year we initiated a special Mass to recognize our Major Gift contributors and again this year we will be holding a Mass on Tuesday, September 29, in the Lampe Commons at 7:00 pm followed by a reception and time of fellowship and gratitude.

Planned giving is what you, the benefactor, designate as a continuing gift to Mater Dei through wills and bequests, memorials given for deceased loved ones or in honor of specified individuals, and endowed scholarships. All the gifts received from planned giving will be invested in the Mater Dei Foundation.

The Mater Dei Foundation is a very important component of financial support to Mater Dei Catholic High School. Each year Mater Dei Catholic High School receives the interest that is earned on the investments of the Foundation. Thus money invested in the Mater Dei Foundation address both present and future needs.

The key to both major gifts and planned giving is the cultivating of relationships, building a deeper connectedness and trust between Mater Dei Catholic High School and you, the benefactor. In other words: getting to know you and your realization of a clearer appreciation of Mater Dei Catholic High School, its tradition, and its strategic plan for the future. This coming school year will see the development of a new five year strategic plan as we prepare for the needs of our future.

Again, we want to thank you for helping to provide for the present and help secure our future this past year and we INVite you to continue to be supportive of Mater Dei Catholic High School for years to come. Come join the IN crowd!
