Re: Mater Dei Summer Driver Education Schedule

Your son or daughter may register for the Mater Dei Summer Driver Education class offered at Mater Dei High School. This will be the classroom phase of the program only, with the behind-the-wheel instruction to be provided during the 2018-2019 school year. There will be (2) sections of the Driver Education class, which will be taught by Mrs. Michelle Thomas of the Mater Dei High School staff. All sections will be taught at Mater Dei High School in the summer.

Students who register must be 15 years old by June 22nd for Section 1 and be 15 by August 3rd for section 2. (Mater Dei students will be given first priority for placement in the class, followed by Breese Central students and then all other schools.) **YOU MUST ATTEND ALL 10 CLASSES TO PASS THIS CLASS!** No refunds will be given once the class has started. This is a fast paced course, with a test almost every day. Please be prepared to work hard.

The cost of the classroom instruction phase of the Driver Education course is \$60 for Mater Dei students, \$85 for students enrolled at Central High School, and \$115 for all other students. This will cover the cost of the classroom instruction only, and does not include the fee charged by Central High School for the driving phase, nor the \$20 fee for the driving permit and the license. The \$60 (\$85 & \$115) fee is payable on the first day of class, and checks should be made payable to Mater Dei High School Drivers Ed.

DO NOT PAY AT THE TIME OF REGISTRATION.

The schedule for the two sections, including the dates and times, is listed below. Contact friends about a carpool.
