

**MATER DEI CATHOLIC HIGH SCHOOL  
2023 SUMMER DRIVER'S EDUCATION PROGRAM – CLASSROOM PHASE**

Mater Dei Catholic High School is pleased to offer two sessions of the classroom phase of Driver's Education in the summer. (The behind-the-wheel phase will be provided during the 2023-2024 school year.) Because the course is fast paced, with a test almost every day, students must possess a strong work ethic. Additionally, **students must attend all 10 classes in order to pass the course, for students must receive 30 clock hours of instruction (as prescribed by law).** The fee will not be refunded once the course begins.

**To register, students must be 15 years old by June 16, 2023, for Section 1 or 15 years old by July 28, 2023, for section 2.** Priority for placement in the course will be given to Mater Dei Catholic High School students first, Central Community High School students second, and students from all other high schools third.

**The fee for the course is \$75 for Mater Dei Catholic High School students, \$100 for Central Community High School students, and \$130 for students from all other high schools.** This fee is for the classroom phase only and does not include the fee charged by Central Community High School for the behind-the-wheel phase or the fees for the driver's permit and license. **The fee is payable on the first day of class, and checks should be made payable to Mater Dei Catholic High School Driver's Education. Please do not pay at the time of registration.**

The schedule for the two sessions is as follows:

**Session 1      June 5, 2023, through June 16, 2023, 8:00 a.m. to 11:15 a.m. (weekdays only)**
