IT'S A *Glitz* AND *Glam* KNIGHT

Dear Friends of Mater Dei,

I am pleased to welcome you to Mater Dei Catholic High School and to the 2024 Dinner Auction "It's A Glitz and Glam Knight". Thank you for being here to celebrate this annual event with us. This spectacular evening is the social and fundraising event of the year for the Mater Dei community.

Tonight's festivities are the result of many hours of planning and execution by a very dedicated group of Mater Dei supporters - the Mothers and Friends Auction Committee. This project is a year-round task and I sincerely thank the parents, teachers, staff, students, alumni, and friends who have helped make this evening a great success. The Mothers and Friends ongoing support for academic excellence is one of the great strengths of Mater Dei Catholic High School. With your contributions this evening, you help Mater Dei continue to provide a quality education rooted in our Catholic traditions.

Your presence and support are greatly appreciated. We hope that you enjoy the fine meal, the fun of the auction, the camaraderie with your friends and family, and the knowledge that you are supporting the students of Mater Dei Catholic High School.

Sincerely,

Dennis A. Litteken, Principal

AUCTION RULES

SILENT AUCTION

- Silent Auction bidding will begin at 5:00 p.m. on the day of the auction.
- The bidding starts with a minimum bid and subsequent bids must follow the minimum raise or a larger amount in the bid increments. The highest bidder wins.
- Silent Auction bidding will close approximately 10 minutes after the conclusion of the Oral Auction.
- All successful bidders must pay for items that evening. Winners may pick up their items in the Silent Auction area.
- Please do not remove items from the auction tables. Volunteers will retrieve the items for you.

ORAL AUCTION

- Oral Auction will begin at 8:15 p.m.
- An Oral Auction bid is entered by raising your bid number and being recognized by the auctioneer.
- The highest bidder acknowledged by the auctioneer will be the purchaser. In the event of a dispute, the auctioneer will have the sole and final discretion either to determine the successful bidder or to re-offer and resell the item in dispute.
- Once an item has been sold, an auction spotter will bring a copy of the bid sheet to the purchaser to sign to acknowledge receipt of the item and acceptance of the stated price.
- The auctioneer has the right to determine the increments on each item. The auctioneer has the final authority to determine the successful bidder or to resell and re-offer the item. The decision of the auctioneer is final. The auctioneer will determine the successful bidder who will be deemed the purchaser.
- If the auctioneer determines that an opening bid or any subsequent bid is not commensurate with the value of the item offered, he may reject all bids and withdraw the item from sale, and, if after having acknowledged an opening bid, the auctioneer decides that an advance thereafter is not of a sufficient amount, he may reject any and all bids. The auctioneer reserves the right to announce conditions of sales at any item. In the event of any dispute, the auctioneer will have the sole and final discretion in these matters. The Auction Committee reserves the right to have a representative or agent bid on its behalf to protect the sale of certain items.
