

MATER DEI MISSION STATEMENT

Mater Dei, a Catholic diocesan regional high school nurtures the spiritual, moral, intellectual, emotional, and social growth of young men and women.

In a caring environment, respectful of individual differences, her comprehensive program educates, fosters faith, and develops gospel values.

THOUGHTS FROM THE PRINCIPAL

Let me begin by saying "Welcome!" to our new parents and "Welcome back!" to our veteran parents. Today, I am writing to you with great respect, as I recognize that the support you provide to the students, administration, faculty, and staff plays a key role in our continued success!

As we begin Mater Dei's 72nd academic year, let us be drawn to the Mission of our school. Just as the administration, faculty, and staff are guided by the Mission as they work with our students, we expect our students to develop and to demonstrate attitudes and habits that reflect the Mission. As a result, with your support, we can provide a unique environment in which our students will achieve their full potential.

Let us also be drawn to our continued focus on Mater Dei's future. With the approval of our school board and the Diocese of Belleville, we began our "Rooted in Faith, Building for our Future" capital campaign in May. To date, donors have pledged over \$2.5 million! We thank all members of our Mater Dei community who support this campaign by donating their time, talent, or treasure!

Finally, as we move forward, know that a commitment to open lines of communication is also key. Therefore, in addition to reading the monthly *Knight Life* parent newsletters, please check PlusPortals to track your child's progress and contact his/her teachers for assistance. Please also contact us should you need additional support for your child's mental, emotional, or social well-being.

In closing, allow me to say "Thank you!" in advance for your continued support throughout this school year. Be assured that we recognize the responsibility you have placed on us, and we are committed to making a difference in the life of each of our students!

WE CARE AND WE HELP

We care that our students may struggle with a variety of issues including, but not limited to, anxiety, depression, grief, spirituality, self-esteem and self-image, relationships and belonging, and mental well-being and coping strategies.

Therefore, we encourage students and parents to contact us for help! In addition to our counseling services, memorials made in the name of the late Bella Brefeld '24 support external services. We continue to extend our gratitude to the Brefeld family for supporting the mental health of our students in memory of Bella!

PLANNING FOR LIFE AFTER GRADUATION

MATER DEI COLLEGE NIGHT: OCTOBER 15

Mater Dei families are invited to our annual College Night on Wednesday, October 15, from 6:30 p.m. to 8:00 p.m.

A variety of institutions (four-year, two-year, trades), as well as the military, will be represented.

In addition, families may attend a financial aid presentation at 6:30 p.m. or 7:15 p.m. in the band room.

PSAT TEST IN OCTOBER

All juniors and high-achieving sophomores are encouraged to register for the Preliminary SAT (PSAT) test that will be offered at Mater Dei (during the school day) **on multiple dates throughout October**. (Mrs. Goetz will inform students of their assigned test date.)

The PSAT assesses critical-thinking, math, and writing skills, and also prepares students for the SAT college entrance exam. Juniors who earn high scores on the PSAT are then eligible for prestigious National Merit Scholarship Program recognition.

Students must register in the College Placement Office. The test fee is \$18 and must be paid by check only (payable to Mater Dei).

COLLEGE PLACEMENT OFFICE ON PLUSPORTALS

Mrs. Goetz is pleased to announce that all parents are enrolled in the College Placement group on PlusPortals. (To access the group, on the homepage, above the main menu, select "Groups.")

This group will include information related to college fairs, college visits to Mater Dei, ACT test prep and test dates, and scholarship opportunities; as well as websites related to the college placement process, including preparing for the ACT and SAT, searching for colleges, applying to colleges, applying for financial aid, and NCAA eligibility. (View the "Links and Files" window and the "Announcements and Alerts" window.)

KEY STEPS FOR APPLYING TO COLLEGES

Application Deadlines Students must carefully review application deadlines, as meeting application deadlines may be a requirement for merit scholarships.

Transcripts Students must utilize Parchment (www.parchment.com) to order transcripts. Mrs. Goetz will then review the order prior to processing the request. NOTE: If counselor information is requested, students must list Donna Goetz (dgoetz@materdeiknights.org)

Common App In the "Recommenders and FERPA" section for the colleges to which a student is applying ("My Colleges" tab), students must add Mrs. Goetz as the counselor. (Recommenders are also added in this section.)

Mrs. Goetz will electronically submit transcripts and the "Counselor's Report" through Parchment.

Students must verify that the colleges to which they applied successfully accessed their completed application and supporting materials.

FAFSA (Free Application for Federal Student Aid) The 2026-2027 FAFSA will be available October 1, 2025.

NOTES

In order for Mater Dei to receive ACT scores, the registration must include our CEEB code (where a student attends school). **The Mater Dei CEEB code is 140-395.**

Test accommodations must be requested at the time of registration. International and ELL students are eligible for extended time.

To avoid extra fees in the future, at the time of registration, students should list potential college choices to which they would like their ACT scores to be sent.

COLLEGE VISITS

Recognizing the importance of college visits for our seniors, we have established the following college visitation policy:

Seniors are provided two school days from August 15 through April 30 for visits. These two visits will not impact perfect attendance.

Seniors must request permission for a visit from the College Placement Office one week in advance. A note with a parent signature must be presented at the time of the request.

Seniors must obtain the signature of a college official on the visitation form provided by the College Placement Office. This form must be presented to the main office when students return to school.
